« Electricians Juice Up Ann Arbor

County Considers \$12 Million More in Cuts »

Column: Arbor Vinous

So you want to be a wine judge?

BY JOEL GOLDBERG

AUGUST 1, 2009

Here's a one-question pop quiz. The sticker on the bottle says the wine won a gold medal at a major competition. But one quick sip convinces you it's the foulest plonk to cross your palate in weeks.

Your first reaction is:

- A. "Who made this wine? I could make better wine than that!"
- B. "Who bought this wine? I could pick out better wine than that!"
- C. "Who gave this wine a gold medal? I could hand out awards better than that!"
