Vinoteca and Vinology Make it Affordable to Try New Wines

Metro Detroit Wine Bars [Vinoteca](#) in Royal Oak and [Vinology](#) in Ann Arbor are offering some great happy hour specials.

Vinoteca offers 1/2 off wines by the glass daily from 4pm to 6pm, and Thursdays 9pm to close.

Vinology offers 1/2 off wines by the glass daily from 4pm to 6pm, and Wednesdays 9pm to close.

This is a great opportunity to try new wines without breaking the bank. Both Wine Bars offer a few wines from Michigan, but if enough people request Michigan wines, I am sure they will expand their offering.

Owner Kristin Jonna has committed to adding more Michigan wines to the fall wine menu because she will have an opportunity to taste the best Michigan has to offer as a judge for the upcoming Michigan Wine and Spirits Competition.
