

Nice, Watch out what you say at this bar, because you could end up ordering yourself a yummy \$9 cocktail! Had a great time, the lounge was really awesome, like being at home. *Not that my home is that nice... but still. Thanks Toast for a wicked night!* **TOAST** is celebrating 1 year in Birmingham this month and will also be throwing down a killer New Years Party with live music fro DJango Tiger and an amazing dinner menu from new executive chef Jeff Rose.
