

## Blue Tractor BBQ & Brewery

207 E. Washington - Ann Arbor

734-222-4095

Ann Arbor's Blue Tractor doesn't miss a beat when it comes to recreating the deep south here in the midwest. Just reference its list of bourbons and rye whiskeys on the menu as well as their "retro" beer list (in cans): Schlitz, PBR, Stroh's. But connoisseurs needn't be concerned; just because its house brews share a menu with Blatz doesn't mean they're playing the same ballgame. Washington St. Wheat is out now, and is another refreshing wheat to please the palate. The Bearded Pig Pilsner is a classic lager perfect for chugging – not that, er, we recommend that. The Bumper Crop IPA is an American IPA loaded with hops for that distinctly bitter bite ... something about hops and heat, they just seem to go together so well! Come for the beer but stay for the food! (Or vice-versa, whatever works for you.) The menu here is a fried-fish-and-BBQ-lover's delight. Enjoy half-off draft beer and \$1 off everything else during its daily happy hours from 3-6 p.m. and 10 p.m.-12 a.m. seven days a week. Or join the mug club: \$40 gets you a lifetime membership as well as a logo glass, a T-shirt or hat, and \$1 off all pints.
