Get pampered for just \$50 during Spa Week

Melody Baetens / The Detroit News

Who doesn't love a trip to the spa? From April 12-18, Dove deodorant will be sponsoring Spa Week, which offers \$50 spa treatments at select spas across the country.

At MotorCity Casino's D.Tour Spa, you can get a manicure/pedicure combo or a sugar scrub with gentle body exfoliation and massage, which is an excellent way to get ready for summer. At Indigo Salon and Day Spa in Canton Township, \$50 will get you an hour-long massage or a mani/pedi combo. Salon Jacqueline & Day Spa in Southfield is also in on the bargain, and they're offering a one-hour Swedish massage or a European anti-aging facial.

With the \$50-per-treatment deal from Spa Week, the savings is typically \$20-\$40 per treatment.
