

## Notes on the Napkin

- Now on tap at [Blue Tractor BBQ & Brewery, 205 E. Washington](#), is **Sweetwater Java Stout**, brewed with pale, caramel, chocolate, and roasted malts with a wee bit o' oats and specialty coffee malt. The 6 percent ABV beer is also "dry-hopped" with freshly ground coffee from Sweetwaters Coffee House, resulting in a roasty, coffee taste with a slight bittersweet finish.
- [Grizzly Peak, 120 W. Washington](#), continues its **IrishFest** until March 26. Enjoy a GP beer — such as **Amarillo Shamrock Irish Amber Ale** — served in a limited-edition pint glass for \$5, keep the glass, and get it refilled for just \$3 throughout IrishFest.
