

Apple juice reduction

- 3 cups store bought apple juice
- 1 cinnamon stick
- 1 tsp. whole coriander
- 1 bay leaf
- 1 sprig fresh thyme
- 1 ½ tsp. cracked black pepper
- 2 tbs. butter

In a quart sauce pan toast the black pepper and coriander for about 2 minutes. Add the bay leaf, cinnamon, thyme and apple juice. Reduce until ½ cup of juice remains. Strain the juice through a fine sieve. Add the butter slowly to the strained juice and spoon over the top of the won tons. Garnish with chopped parsley, chive or desire herb, and serve immediately.
