Fashion In Detroit kicked off its bi-annual two-day fashion event created by Project Runway's Joe Faris at the Detroit Zoo on Thursday Oct. 1, 2009. The goal of FID is to put a fashion spotlight on Detroit and create a venue that fills the needs of many locally based designers and the Detroit fashion community. FID's Executive Committee is made up of the area's heaviest hitters in fashion, beauty and event management, who are committed to creating a fashion extravaganza to rival other Fashion Weeks around the U.S.

MCB was invited to take part in the event...the first of a long, healthy tradition of Fashion In Detroit. Kudos to Publicity Works for hooking us up. Enjoy the pics and look for Day 2 photos in about 24 hrs.
