## NEW HOTSPOT: What Crepe

Aug 25, 2009

What a crepe!

What Crepe will give you not only the best crepes in town, but a dining experience that you'll want to come back.

Owner, Paul Jenkins Jr., opened this quaint eatery earlier this summer. He now offers a vast variety of both savory and sweet choices, great for any time of the day.

Unlike crepes at other restaurants these are exactly the kind you would get in France.

The ambiance is comfy and cozy and perfect for a meal out with the girls or a romantic date. The dining room has an eclectic vintage feel that adds something special to the dining experience. The restaurant only seats about 30 people leaving lots of room for the staff and the owner to focus on great

service!

If you've never tried a crepe, What Crepe, tucked away on Washington Ave. in Royal Oak, is the place to go. You will not be disappointed.
