### New Menu at Bastone Brewery By: Chef Drew

This past week I traveled to BASTONE in Downtown Royal Oak. Now I had been here before, when they first opened in 2004. let me tell you readers, BASTONE has made many positives, what I would call "upgrades" to both their establishment, and the caliber of food.

### Pecha Kucha Detroit: Vol. 3

Pecha-Kucha Night Detroit provides an opportunity, in a condensed presentation format, for local artists and professionals to showcase their work. Each presenter has 6 minutes and 40 seconds to do so, showing 20 slides for 20 seconds each.

### Beer Tasting At Bastone Brewery

By: The Brewskies

Jim finally got here, and so did a few other people and now the samplers are on their way! I have to say, they served us these little pretzel type things, and I can't stop eating them! Here come the samples.

### Can Flossing Prevent A Heart Attack?

By: Dave Vanz

This past week I was at the Dentist for my 6 month check up, and like everyone else in the world I could probably do with a bit more flossing in my life... according to my dentist, there may be more than one reason to start flossing.
