**H**ere are some of our favorite brunch spots in Northern Michigan. Go for a leisurely weekend meal and show your mom how much she is loved.

## Betsie Bay Inn

In addition to this sunny inn's from-scratch, locally sourced breakfast menu is a bountiful Sunday buffet with a prime rib, waffle and omelet stations, fish and pasta dishes and lots of exquisite sweets. 231 Main St., Frankfort, 231-352-8090.

## Blu Moon Cafe

No brunch proper at this darling diner, but order off a fabulous breakfast menu with delicate blintzes, fry bread with strawberry jam, huevos rancheros (pictured), and frittata made with asparagus and topped with homemade hollandaise. 125 S. James St., Ludington, 231-843-2001.
