Rino and Kristina, a husband and wife team and owners of Figo Salon, agree the number one product for them is Shu Uemura Essence Absolu!

Rino says when using this product as a treatment, "it's like warm butter" for your hair, leaving your hair silky, smooth and healthy looking! Kristina also loves using this product! She told us when using Shu Uemura Absolu, her clients hair "feels like silk." She also advised, "it's a quick fix for everything". Well we are convinced, if two talented professionals like Rino and Kristina swear by this product, then it must be fabulous! This product is great for controlling frizz, smoothing waves and moisturizing hair!

Shu Uemura Essence Absolu can be purchased at Figo Salon which is located at 265 N. Old Woodward, Birmingham. Figo has won the title, "Best Salon Overall", in 2009 and voted the "Best Blowout", in 2010, by InStyle Magazine. To make an appointment, call 248-723-7990.
