Happy St Paddy's Day - IrishFest at Bastone

***MCB hits up Bastone all the time for great food and beers
They are celebrating IrishFest through March 21st so get on over
and check out the latest creations from the brewmaster
that are a perfect match for the dinner specials***

On Tap:

- Rojo Ojo – Don't be fooled by the Spanish name, which translates to **Red Eye**, this beer is a medium-bodied, malty red ale with hints of caramel and a slightly toasty taste. 7% abv.
- Black Wittow – Brewed in the style of a Belgian Wit with wheat, coriander and orange, this brew boasts unexpected chocolate and dark roasted malts lending it a black color and rich complementary flavor. An orange-chocolate sensation, it won a bronze award for Experimental Beer at the 2008 World Beer Expo in Frankenmuth, Mich. 7% abv.

Bastone is located at 419 S. Main Street in Royal Oak.
