## COMMUNE, A SEXY BURLESQUE-INSPIRED LOUNGE IN ROYAL OAK, IS YOUR SUBTERRANEAN GETAWAY

**Commune:** {kom-yoon} verb

1. To converse or talk together, usually with profound intensity, intimacy, to interchange thoughts or feelings
2. To be in intimate communication
3. Interchange of ideas or sentiments

Part of the Bastone Complex at the corner of Fifth and Main in downtown Royal Oak, Commune Lounge is a warmly lit underground lounge that provides a sexy environment in which to escape from the world above with friends. Commune was designed after the turn of the century burlesque bars of Paris, complete with soft votive candle lighting, mini crystal chandeliers and private red velvet booths.

Commune's drink menu includes award-winning, craft-brewed ales and lagers from its upstairs neighbor, Bastone. Handcrafted martinis and absinthe – the green fairy – are also served to enhance the Francophile vibe.

The line up of weekly events at Commune includes Monday Service Industry Nights (25 percent off), Tuesday Ladies Nights (\$3 pints, \$5 wine, \$5 martinis), Nintendo Wii Wednesdays (\$9 pitchers, 50 percent off food) and AbsinTHursday, where bartenders mix up the newly legalized cocktail for just \$5.
